Values and Objectives

The Charity is an expression of care and support for all lone parents in the locality, whatever their circumstances and regardless of how they became lone parents.

South Cheshire CLASP was first established in 1998 and obtained charity status in 2002 under charity number 1093471. In 2020 the Charity became a CIO with the new Charity Number of 1188608.

Charitable Objects:

The objects of the CIO are:

For the public benefit and within a Christian ethos to advance the education and development of children and lone parents living in the South Cheshire area, in particular but not exclusively by:

- a) providing child development and parenting skills training to parents;
- b) providing safe group play and other activities designed to support children's social and emotional development;
- c) providing support, activities and signposting to advice which develop the capabilities, competences, skills and understanding of parents;
- d) providing activities and services designed to preserve and protect the physical and emotional health and wellbeing of children and their parents;
- e) providing or assisting in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of children and their parents with the object of improving their conditions of life.

Vision Statement:

To reach out and support those in the community who are affected by the difficulties associated with parenting alone, whatever their circumstances. We offer friendly support and encouragement to assist with the progression from crisis to wholeness, and a positive future for the whole family.

Values

- CARING
- ACCEPTING
- RESPECTFUL
- EMPOWERING

Overarching Aims and Objectives

- Lone parents and their children will experience an increase in confidence and self-esteem
- Lone parents and their children will experience improved family relationships
- Lone parents and their children will be able to better cope with family breakdown/their family situation
- Lone parents and their children will report improved emotional health and wellbeing

Chairman's Report

2020 was a year like no other. Covid placed huge limitations on the support that CLASP could provide; at the same time, the needs of lone parent families were being exacerbated by the pandemic.

It is a testament to the work of staff that so much was achieved despite the difficulties. Huge thanks go to Julia Wood and the rest of the team.

Ironically, we are in a stronger financial position because of the coronavirus- funders have remained very understanding; we also made appropriate and judicious use of the job retention scheme- most staff members have been furloughed (part or full time) at some point.

As a result, we can increase our services as lockdown restrictions ease: always in line with what parents and families say are important to them.

The biggest organisational change occurred in June 2020, when CLASP became a charitable incorporated organisation or CIO. We adopted the foundation model to clarify who are voting members (trustees only). This is actually the second AGM under the new arrangement: the constitution appointed all remaining trustees for at least two years, so no trustees need to be reappointed at this AGM.

Until 2019 we used AGMs as an opportunity to showcase CLASP's work, which was valued by a number of our partners and stakeholders. Such an event was not possible last year, but an annual meeting this autumn would be very welcome to help maintain those links.

Finally, our love and gratitude is extended to Ruth Grimshaw for her enormous contribution to CLASP over many years. She can step down from the treasurer's role, knowing that a very able replacement has been found (a warm welcome to Stuart Luck).

Ruth has agreed to remain a trustee for one more year, to ease us through the transition and to give us the continued benefit of her wisdom and knowledge.

John Colclough
Chairman
May 2021.

A Snapshot of 2020

- At the beginning of 2020 we were able to offer our usual range of services:
 - Counselling for parents
 - Counselling for children (aged 5 to 19)
 - 1 to 1 parent support
 - Young People group support in school
 - Out of School Kids in the school holidays
 - Taking Steps/Volunteering opportunities for lone parents
 - Primary Plus group support in school
 - 1 to 1 Primary Plus for children aged 7 to 10/11
 - Parenting courses
 - Coffee & chat
- In February 2020 we experienced a flood in the main areas of Jubilee House which meant we had to vacate the premises for a time. Shortly after, due to Covid 19, we were faced with closing our premises, much reducing our offer of support and staff having to work from home. This crisis was one of the most serious we have faced as an organisation and left our families very much isolated and struggling with their mental health.
- As is always the case with CLASP, our Trustees, Staff and Volunteers pulled together so that we were able to continue to offer support to our families wherever possible, albeit no longer face to face. The support consisted of counselling via phone or on-line, weekly 10-minute chats to 'check-in' with those most isolated and periodic goody bags containing such delights as chocolate, wellbeing books, sunflower seeds, gift vouchers and more. The overwhelming feedback received from families was extremely positive and gratitude that we were still reaching out wherever we could.
- The staff and volunteers were amazing - adapting their working practices in any way possible to ensure that families were supported. One of my overwhelming memories still is that of counsellors providing therapy, via phone, in their cars to ensure that desperate parents at least had someone to talk to each week.
- Throughout the year we put together recovery plans, guidance for service users and staff, and health & safety assessments to ensure that we could return to a fuller range of services but continuing to keep everyone as safe as possible.
- We made use of the Job Retention Scheme at various times throughout the year, which helped enormously when staff were unable to carry out their usual work. Our existing funders were also extremely helpful and supportive, quickly adapting their requirements so that we could continue to function as effectively as possible. We

also received additional funding from the Lottery Awards for All, the Co-Op and Garfield Weston.

- Other news we updated our Employee Handbook, became a CIO, adopted a Business Continuity Plan, and accessed on-line safeguarding training.
- Sadly, due to the pandemic, we had to lose some of our highly valued volunteers as there was no tasks for some of them to undertake. We do hope to have a renewed focus on volunteering though as 2021 progresses.
- Referrals, understandably, dropped mid-year, but increased again towards the end of the year, meaning that overall referral numbers were consistent with our expectations.
- Our waiting list took a hit due to many children and parents wishing to wait for face-to-face services to be resumed. We have since increased counselling hours and reduced the number of sessions to try and manage waiting times.
- We are slowly adapting to freedoms being increased and have carried out a survey of parents and young people to make sure we are offering what families need. We will be piloting a new family therapy offer later in the year and will be putting together a summer programme that will focus on increasing emotional wellbeing and reducing isolation.

Achievements 2020

We have 4 main outcomes running across all of our projects, as well as additional outcomes relating to individual projects. The following shows our progress across these 4 main outcomes. The numbers are slightly lower this year as we did not record outcomes in the same way between March 2020 and May 2020 due to Covid 19 restrictions.

Outcome 1. Lone parents and their children will benefit from an increased ability to cope with family breakdown and/or their family situation

Outcome 2. Lone parents and their children will benefit from improved family relationships

Outcome 3. Lone parents and their children will benefit from increased confidence/self-esteem

Outcome 4. Lone parents and their children will report improved emotional health and wellbeing.

Some examples of how projects/services have contributed to these outcomes:

A said that counselling had helped him talk about his problems and to stop worrying. Mum and G talk more and Mum is more aware of G's feelings and understand them better. Dad has put strategies in place if he becomes unwell. He has a better relationship with his children – he is able to set boundaries and stick to them. He is able to ask for support from others.

Mum had spoken to the school and said that J's behaviour had improved greatly since counselling. J herself said that counselling had made her feel happier.

J doesn't get as angry as she did.

S said that 1 to 1 parent support had helped her cope in the difficult time during lockdown. She felt encouraged to socialise more, discuss with others how she feels and asks for support with parenting her child.

"I think we both have a better understanding now. G (child) hasn't been angry with me. I now understand that it is important to reach out (for support) early on."

"T is more confident in school – now he will put up his hand to answer a question."

"I can manage my anger better"

"J's self-esteem has improved. He is coming home from school with 'star of the day'"

Referrals received in 2020 for **209** families

We interacted in some way with **275** lone/step parents

We provided support to **214** children and young people

Appendix: Financial Reports

- Treasurer's Report
- Receipts & Payments Accounts for the period 1st January to 11th June 2020 for Charity Number 1093471
- Receipts & Payments Accounts for the period 12th June 2020 to 31st December 2020 for Charity Number 1188608
- Receipts & Payments Accounts for the year 1st January 2020 to 31st December for the combined Charities
- Each set of Accounts includes a statement of Assets and Liabilities for the period, an analysis of Restricted Funds, notes to the Accounts and the Independent Examiner's Report

Operating for the Public Benefit:

As can be seen from the Project report we were able to meet our aims and objectives during the year to provide support for lone parents and their children, enabling them to grow and develop.

TREASURER'S REPORT

I anticipate that this will be the last Treasurer's report that I write as I will be standing down as Treasurer shortly. It has been a privilege to serve in this capacity for about the last 20 years. I am sure that CLASP will be in good hands with the new treasurer and wish him and the other Trustees every success in the future.

As we are all aware, 2020 was a very strange and difficult year with Covid 19 affecting our staff and the services we provide. Several of our Staff have been furloughed and we appreciate the Government grants we received under the Job Retention Scheme. We have been able to continue some of our services on line and by telephone supporting many of our service users.

During the year we became a CIO and three sets of Accounts are included in the Annual Report. The first one is for the old Charity Number 1093471 up to the 11 June 2020, the second is for the period 12 June 2020 to 31 December 2020 and the third is for the combined charities for the whole of 2020.

Our total income for the year ending 31st December 2020 amounted to £229,469 with expenditure for the same period amounting to £189,023 giving us a balance of £143,747 at the end of the year of which £43,405 was in Restricted Funds. Comparative figures for 2019 were income of £180,522 and expenditure of £190,260 and a balance of £103,302 of which £46,488 was restricted.

The Restricted Funds are, as the name implies, for specific projects and cannot be spent on other things. In most cases the funds are received in advance.

During the year we secured new funding from National Lottery Community Fund Covid to assist with extra expenses incurred in protecting our staff, also from National Lottery Awards for All and the Co-op. We have received a grant from Garfield Weston in 2021. We are grateful to these and our other funds in addition to Individuals, Trusts, Churches and Companies who have supported us financially during the year.

We expect that during 2021 we will be able to resume all our activities and we have the funds available to meet our anticipated costs.

NOTES TO ACCOUNTS

Reserves Policy

Our current reserves policy aims to stabilise our unrestricted cash and bank balances at a level sufficient to cover our next three months worth of expenditure. This would suggest that our optimum cash balances would be between £40,000 and £50,000. At the end of 2020 our unrestricted cash balances totalled £100,342

Debtors and Prepayments

Depreciation

Our furniture and office equipment is depreciated over 5 years

Trustees Remuneration

Trustees should not generally receive payment for being a charity trustee and no Trustee has received any remuneration. Janet Wenlock is employed by CLASP and her husband Christopher Wenlock is a trustee. Employment cost was £4901.93 including pension contributions. Christopher does not take part in any discussions regarding salary increases etc.

Operating for the Public Benefit

As can be seen from the Project report, we were able to meet our aims and objectives during the year to provide support for lone parents and their children, enabling them to grow and develop.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SOUTH CHESHIRE CLASP

I report to the trustees on my examination of the accounts of the South Cheshire CLASP (the Trust) for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

SOUTH CHESHIRE CLASP

Charity Commission Registered Number: 1188608

NOTES TO ACCOUNTS

Reserves Policy

Our current reserves policy aims to stabilise our unrestricted cash and bank balances at a level sufficient to cover our next three months worth of expenditure. This would suggest that our optimum cash balances would be between £40,000 and £50,000. At the end of 2020 our unrestricted cash balances totalled £100,342

Debtors and Prepayments

Depreciation

Our furniture and office equipment is depreciated over 5 years

Trustees Remuneration

Trustees should not generally receive payment for being a charity trustee and no Trustee has received any remuneration. Janet Wenlock is employed by CLASP and her husband Christopher Wenlock is a trustee. Employment cost was £4901.93 including pension contributions. Christopher does not take part in any discussions regarding salary increases etc.

Operating for the Public Benefit

As can be seen from the Project report, we were able to meet our aims and objectives during the year to provide support for lone parents and their children, enabling them to grow and develop.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SOUTH CHESHIRE CLASP

I report to the trustees on my examination of the accounts of the South Cheshire CLASP (the Trust) for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

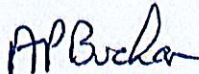

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
