### New volunteering project at South Cheshire CLASP

CLASP is looking for volunteers to provide regular telephone support to its lone parents and give them chance to talk about how things are going. We are looking for people who can listen in an active, non-judgemental way without giving advice. An awareness and understanding of the needs of lone parents is important.

The calls will take place at a mutually convenient time, possibly in the evening. Information and data must be kept confidential, and you will be asked to record calls in line with CLASP's policies.

Following a successful informal interview, training and ongoing support will be provided.

You will be joining a warm, friendly team of staff and volunteers.

If you are interested, please contact Sue on 01270 250629 or email [sue@southcheshireclasp.org.uk](mailto:sue@southcheshireclasp.org.uk)
