February Half Term Fun at Chester Zoo

FUNDRAISING!!!!

Our fundraising target for 2025 is £100,000 Without your support CLASP would not survive!

Enormous thanks for the contribution our funders have made to supporting lone parent families from crisis to wholeness

Achievements by South Cheshire CLASP during the last year

Our 2024 services included our professional counselling service, 1:1 parent support, peer support groups, parenting courses, life skills workshops, wellbeing activities, support for children and young people, holiday activities and volunteering opportunities.

We have completed more than 900 hours of counselling in schools and our new counselling rooms. Offering a safe and confidential space for 1:1 counselling, family therapy and play therapy.

Our coffee n' chat groups have provided a platform for peer support, signposting and information sharing and more than 400 cups of tea and coffee! -

29 children have graduated from primary plus and we have supported 20 young people in our therapeutic groups in High Schools.

Easter Holiday Activities

Check out our facebook page for up to date details and information !

Maths for Everyone
by Cheshire Learning Professionals

FREE 8 WEEK MATHS COURSE AT CLASP

If you don't already have a Maths GCSE grade 4/C you are entitled to FREE government funded maths courses.

CLASP is running a FREE 8-week entry level maths course, which will underpin the basic skills required for further study.

Start your journey, improve your numeracy skills and start working towards a GCSE equivalent qualification.

Thursday 10am to 12 midday
Starting 23rd January 2025
