Fundraising Update

We did it!!!! The Cloud was the ending point of our 500 Mile Challenge! The families did so well to reach the top on probably the hottest day of the year...

A huge thank you to everyone for their amazing fundraising efforts. We have walked over 500 miles, gone beyond our target and raised £820!!

SUMMER Activities

During the Summer, our families enjoyed activities.... kayaking at Brereton Lake, a trip to New Brighton for ice cream and sandcastles, den building at Joey the Swan, a walk up The Cloud and days out at Westport Lake and Stafford Park...

VISION BOARD WORKSHOP

Our Vision Board Workshop was a huge hit with everyone! Thank you to Joanna Nelson from Homebird for facilitating. Our parents created vision boards to help them dream and think about what is really important in their lives.

RETIREMENT FAREWELLS
