EDITION THREE

A Summer of Fun and Adventures!

Our families have been busy making the most of the school holidays, with lots of fun, laughter and adventures along the way!

From exploring **Delamere Forest** and enjoying an exciting **Easter egg hunt at Joey the Swan**, to getting up close with some amazing animals during a visit from **Zoo2U**, there's been something for everyone! We've also enjoyed some friendly competition at the **Board Game Café** and put our thinking caps on for a **Treasure Trail around Nantwich**.

It's been fantastic seeing our families getting involved, spending time together and creating some lovely memories.

Check out our Facebook page for up to date details and information!

We celebrated the launch of our NEW creative literacy programme, CLASP Champions, for primary-aged children.

We have been so excited to introduce this new intervention, designed especially for children who may not always enjoy reading and writing. Through creativity, storytelling and imagination, we are creating a space where children can build confidence, discover their voice, and begin to see literacy in a whole new way.

A BIG THANK YOU TO

Lots of Fun, Creativity & Wellbeing!

Our parents have been keeping busy over the last few months with some fantastic **workshops, activities and walks!** From getting green-fingered with our **Gardening session**, getting creative with **Art for Wellbeing** and **Diamond Art** to learning some really useful skills at our **Mini First Aid** session.

It's hard to believe that our lovely **CEO Sharon** took the reins at CLASP over a year ago!

What a year it's been! From getting to know our amazing families and team, to supporting all the wonderful things happening across CLASP, Sharon has certainly kept busy!

We thought it was about time we shared a few photos and celebrated **Sharon's first year (and a bit!) with CLASP.**

Here are a few snaps of our CLASP team hard at work — from team meetings and planning, to brushing up on our skills with **First Aid Training** and taking part in **CAPVA training**.

We have a few **CLASP team changes** to share!

we want to say a **huge THANK YOU to Ruth** for all her hard work and dedication as our Treasurer. Ruth has been volunteering with CLASP **right from the very beginning** and has given so much of her time, energy and commitment to supporting the organisation over the years. We're incredibly grateful for everything you've done, Ruth We'd also like to say a big **WELCOME to Amanda**, who has joined our **Board of Trustees as Treasurer**. We're delighted to have you on board, Amanda!

And finally... **WELCOME BACK, Emma!** Our Youth Support Worker who is launching the **RESET Healthy Relationships programme**.
